

False Front Clip, Post Side/Right Clear

Part Number: 04-3507-P

Suitable for frameless or face frame installation. Made of strong durable plastics.

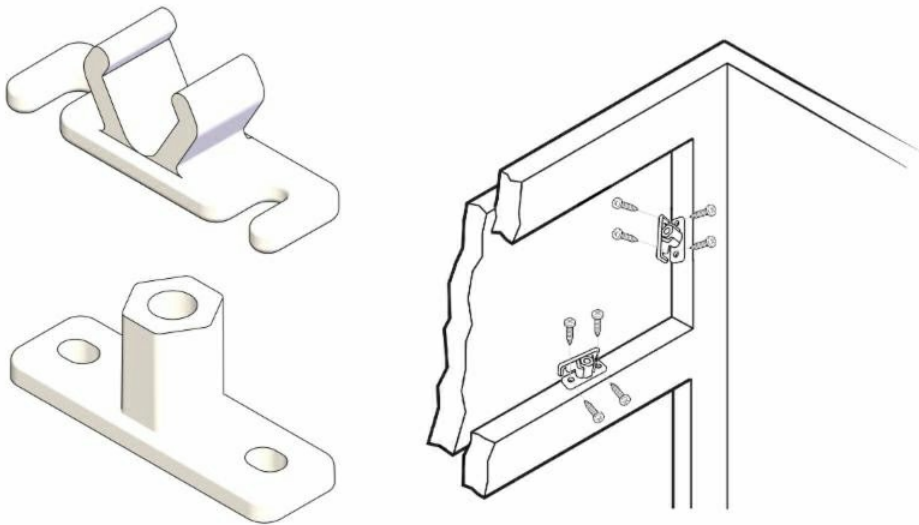

Finish -----	Clear
Type -----	False Front Clip

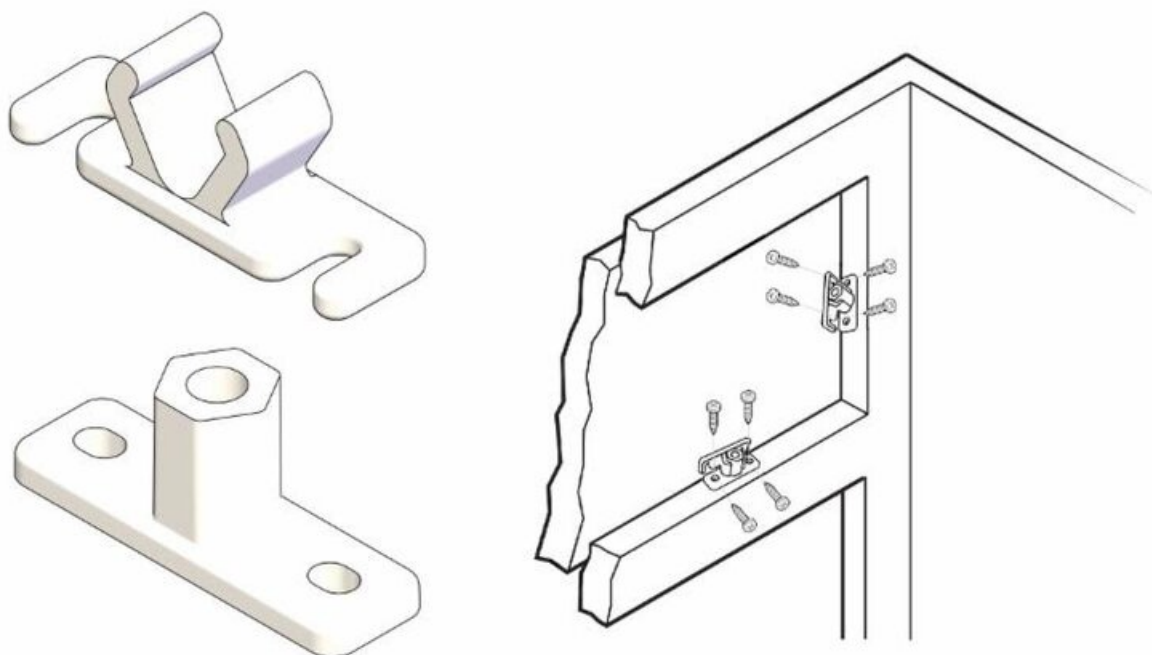

Important Information

This is the Post Side item only. Please order webkit[04-3507](#) to ensure you have both the Post and Clip.

Product Application

Install Clip Side on the false front and Peg Side on the side panel or face frame using #6 screws. Then you can simply snap the false front into place. It is recommended that 6 sets are used to hold panel snugly in place.
