

Smove Adapter for Double Doors, Grey

Part Number: SD070SNGN

Salice Smove Adapter for Double Doors, Grey

Smove Adapter for Double Doors, Grey

Closing Type	Soft-Close
Colour	Grey
Material	Plastic
Mounting Type	Surface - Screw

Product Description

Cruciform plastic adapter for double doors which is compatible with Smove damper device D005 only. Install by attaching to the cabinet side using wood screws and a 5.5 x 32mm drilling pattern. Includes assembly stop device which is a lip over the edge of the cabinet.

Best suited for doors between 450 mm and 600 mm width. For wood-based and aluminum-framed doors over 1600 mm height, it may be necessary to use two Smove devices, with one fixed to the upper part and the second to the lower part of the cabinet side, opposite to the hinges.
