### Product Description

Eme is an original handle with metallic sides and a metallic central piece, giving the visual effect of a creased bed-sheet. This peculiar finish makes it a perfect complement for daring compositions, searching for that something out of the ordinary. The effect gives an impression of dancing smoke in a fire, or ripples and movement in water. Its is available in black, white and brown.

Belonging to the Zamak + Acrylic line. Model 0106.

### Included Products

Industry standard mounting hardware
