Product Description

Kombi from Viefé is a reinterpreted handle of a classic aesthetic style. It combines a cylindrical body with rectangular feet giving it both dynamism and lightness. It has been manufactured in stainless steel and is available in various measurements so it can be situated on furniture of different capacities. It's ideal to be applied to the surroundings of a modern kitchen, especially those which have a dark wooden decor.

Kombi is a part of the [Stainless Steel](#) line. Model [0064](#).
