Product Description

Vann is a linear handle with an aluminum profile and can adapt to different contemporary interior styles. The slight downward incline to its shape means it is perfect to grip and is really comfortable to use. It is extremely versatile can be adapted according to the thickness of the furniture whether in kitchens, bathrooms, or bedrooms. It is quick and easy to install as no type of mechanisation is required. Once it is screwed into place from behind the drawer or door it becomes a perfectly integral part of the furniture.
