Product Description

Button is an arched shaped handle, which is a reinterpretation of a design inspired by vintage look. Its simple shape and pure lines make it a classic brought up-to-date which guarantees an easy, comfortable use. It is manufactured in zamak, a material that gives it a pleasant and comfortable feel. It is available in a vintage, brass finish, also pewter with a micro-cement look that makes it ideal for industrial surroundings and finally, in shiny chrome, very much in the style of scandinavian interior design.
