Product Description

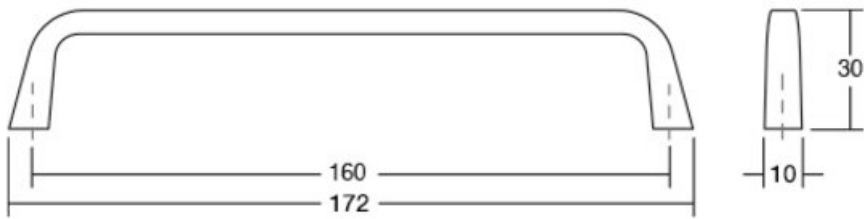

The Este handle has a very simple, minimalist design on which the purity of its linear edges really stands out. Its flat faces widen ever so subtly at the point where the handle ends giving it added body and presence. It is completely versatile, something which guarantees that it integrates perfectly in all types of surroundings and styles whether it be in a kitchen or bathroom. It's a very successful product that is available in bright chrome, lacquered-matt chrome, brushed nickel, brushed copper, brushed gold, graphite grey and matt black, many different options of finishes that are currently in fashion. It is manufactured in zamak.

Included Products

Industry standard mounting hardware
