Product Description

The Ball knob is like miniature sculpture in the shape of a hollow ball which gives it that added bit of character and allows it to function on all types of furniture. Its ergonomic and organic design adapts perfectly to different types of interiors whether they possess a more futuristic aspect to them or if it's an interior that looks to differentiate itself by using small accessories to transmit added character. They are available in a shiny polished chrome, brushed nickel, brushed copper and brushed brass, these last two finish adding a certain vintage character.
