To Whom It May Concern:

You have requested a Material Safety Data Sheet (MSDS) from us for our SoftWax in compliance of the federal requirements that deal with the movement of chemicals manufactured or imported into the United States and require the protection of (MSDS) for employees handling hazardous material.

According to CFR Title 29-1910.1200 (5) (v) & (6) (xii) (c), SoftWax products are considered exempt from the notice requirements since they do not release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use.

As a result a MSDS is not required for SoftWax. If you have any questions or need any additional information, please feel free to contact us.
