Product Description

The Pura handle is made up of elegant straight lines which bring a touch of elegance and serenity to wherever it is fitted. Despite its simplicity, it certainly doesn't go unnoticed. Its name makes reference to the purity of its design which contrasts with the strength and personality of its modern, sophisticated and bright finishes. This unique handle, designed by Balutto Associati, is available in a unique size of 160mm with four different finishes: polished chrome, polished black nickel, polished copper and polished brass.
