Product Description

The Land knob with its vintage aesthetic is characterized by its rustic and timeless style. Designed by Hector Diego and manufactured in zamak, it's the perfect knob for industrial aesthetics and vintage decoration. This handle with a rounded finish is structured in the form of a saucepan and allows for a perfect grip for all types of hands. Available in four finishes pewter, antique brass, matt or brushed black, the knob version and the handle version mean you can create an infinite number of combinations, generating unique atmospheres that are full of personality in modern surroundings.
