Product Description

Meet "Rail," an outstanding aluminum handle meticulously crafted by the talented duo Teruel & Paré, solidifying its status as one of our premier designs. The elongated version spanning 1150 mm effortlessly complements cupboard doors in a variety of settings, from kitchens and bathrooms to dressing rooms and offices, infusing a dose of modernity and design into each space.

Manufactured with precision in aluminum, Rail imparts an extra dose of personality and contemporary flair to your furniture. This effect is achieved through its three exquisite finishes: stainless steel appearance, brushed black, and brushed gold. Furthermore, Rail offers versatility with four different lengths/variations, ensuring you can select the perfect fit for your specific needs.
