Product Description

Corner is the angular and linear based wall hook par excellence. With a modern style, it is available in six different finishes which means you can create multiple types of compositions and install it in different types of rooms adding colour and dynamism. Its straight lines contrast with the colours of its finishes, resulting in a unique wall hook that brings personality and groundbreaking touch to walls on which it is fitted. Manufactured in zamak, this design by Alexis Vivet is the perfect accessory for juveniles' bedrooms, or spaces characterized by vitality, looking for accessories that seem carefree and to add a touch of freshness.
