Product Description

The wall hook Graf is characterized by the elegance of its shapes. It is a fashionable product which reproduces the mesh surface characteristic of knobs and handles from the Graf collection and it ensures a strong grip on garments and accessories that you wish to hang on it. Made in aluminium, it's the ideal wall hook to create an infinite number of combinations by playing around with Graf and Graf Big knobs and handles. They allow you to create sophisticated and elegant compositions on any type of wall. Its characteristic industrial style design created by the Viefé® Team, comes in three different easily combinable finishes.
