Product Description

The Round wall hook, made in aluminium, is a minimalist and functional idea designed by Balutto. Conceived as a basic wall hook, round is based on a cylindrical shape that widens on the front part to ensure a perfect hold on all types of accessories and also as a perfect way to open doors and drawers when fitted in its knob version. Its shiny finishes mean you can create elegant and sophisticated environments. Round is the perfect accessory to add personality via the use of subtle furniture accessories. The small dimensions of this hanger are ideal for installation in small kitchens and bathrooms.

Product Advantages

Available in 2 finishes: Brushed Dark Brass & Brushed Black

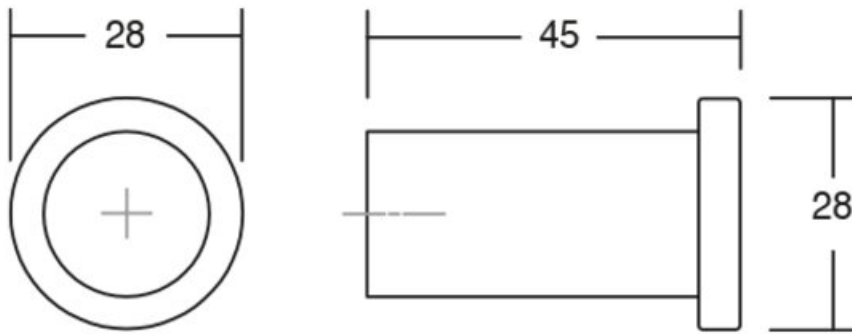

Diameter: 28mm

Projection height: 45mm

Can be fixed to the wall with included screw
